

## CORPORATE LOGO DISKETTES

Media Technologies offers a superior alternative to plain, blank media. These cost effective, value added diskettes enhance PC operations by saving time and identifying company property while promoting your corporate image.

- Formatted Diskettes
  - \* Save time and money
  - \* Eliminate interruptions
  - \* Provide additional quality assurance
- Identity
  - \* Custom labeling promotes your company, not your diskette supplier
- Quality
  - \* 100% factory certified media
  - \* Lifetime guarantee on all diskettes
  - \* Data recovery capabilities
- Security
  - \* Identifies valuable data as company property
- Options
  - \* Labels: Laser labels or pinfed available
  - \* Color disks: Color coding for data organization
  - \* Packaging: Disks available in durable plastic storage cases, paper cartons, or bulk packaged
- Other Products and Services
  - \* Data cartridges
  - \* Bulk diskettes
  - \* Disk mailers
  - \* Vinyl pages

Join the many companies, both large and small, that are taking advantage of preformatted corporate logo diskettes.

**Media Technologies is recognized as a leader in the software manufacturing industry. Why?**

- 1. People:** Company founders have over 30 years combined experience in software duplication, packaging, assembly and value added data processing supplies.

All of our employees are hand picked for their attention to detail, high regard for customer satisfaction and insistence on quality workmanship.

- 2. Quality/Service:** Our company wide goal is zero defect manufacturing with 100% on-time deliveries.

In short, once we've made a commitment we will do whatever it takes to get the job done right, the first time, and to our customer on time.

- 3. Equipment:** We utilize only state-of-the-art duplication/formatting equipment supported by a complete array of quality control and testing equipment.
